FOR THE DISTRICT OF DELAWARE**

The Hertz Corporation, *et al.*,

Debtors.

Chapter 11

Case No. 20-11218 (MFW)

Jointly Administered

**DECLARATION OF MITCHELL FELDMAN IN SUPPORT OF
MOTION BY BAMIDELE AIYEKUSIBE AND PAWAN LAL FOR ENTRY OF AN
ORDER APPLYING BANKRUPTCY RULE 7023 CLASS PROOF OF CLAIM**

I, Mitchell Feldman, state as follows:

1. I am managing attorney and sole shareholder of the Feldman Legal (“FLG”) in Tampa Florida. FLG is a two attorney firm based in Tampa, Florida with an office in Atlanta, Georgia, that focuses on representing workers as plaintiffs in employment-related matters, including claims based upon individual and class-wide violations of state and federal wage and hour laws.

2. I am a member in good standing of the bars of the States of Florida and Georgia.

3. I have personal knowledge of the matters set forth herein and would so testify if called as a witness.

4. I submit this declaration in support of the *Motion by Bamidele Aiyekusibe and Pawan Lal for Entry of an Order Applying Bankruptcy Rule to Class Proof of Claim* (the “Motion”), filed concurrently herewith.

RELEVANT BACKGROUND

5. With its co-counsel, FLG represents Bamidele Aiyekusibe and Pawan Lal and about 630 other Location Managers who worked for the Debtors nationwide. Aiyekusibe is the lead Named Plaintiff in *Aiyekusibe, individually and on behalf of all others similarly situated, as*

class representative vs. The Hertz Corporation, et al., in the United States District Court for the Middle District of Florida (Case No. 18-0816-MRM) (the “Federal Court Litigation”), which was a litigation for unpaid wages, costs, and penalties under the Fair Labor Standards Act, 29 U.S.C. §§ 201, *et seq.* (“FLSA”). Aiyekusibe and Lal seek to assert their claims and those individuals who joined the Federal Court Litigation by submitting FLSA consent to join forms (the “Employee Class Members”) on a class/collective action basis against Hertz Corporation in general unsecured, unsecured Section 507(a)(4) priority (to the extent wages for services rendered in the 180 days before the petition in these cases), and administrative expense amounts (relating to services rendered subsequent to the petition date of these cases through and including the effective date of the sale of the debtor’s operating assets).¹

6. The Federal Court Litigation proceeded in litigation and the parties were engaged in collective action discovery. The discovery included written requests, responses, and significant document production. The parties engaged in multiple discovery conferrals and court conferences to address discovery disputes. During discovery in the Federal Court Litigation, Hertz produced a list of 2250 Class members. The United States District Court for the Middle District of Florida conditionally certified the FLSA collective action on January 28, 2020. Thereafter, notice of this lawsuit issued to Location Managers who worked for Hertz nationwide and about 630 Class members joined the case pursuant to 29 U.S.C. § 216(b).

7. The parties were scheduled to have a class-wide mediation in June, 2020 prior to Hertz’s bankruptcy filing on May 22, 2020. On May 28, 2020, Hertz filed a Notice of Suggestion of Bankruptcy in the Federal Court Litigation.

8. No materially adverse determination of substance or procedure against the
